Dear Doron,

We would like to congratulate **Global Cable Solutions** on being a member of the Corning Optical Communications Cable Assembly House (CAH) Connections<sup>SM</sup> Gold Program for the year 2014.

The exclusive Corning Optical Communications CAH Connections<sup>SM</sup> Program Gold level is reserved for top tier manufacturers known for their commitment to outstanding quality and industry leadership. Having undergone rigorous Corning process training and evaluation, Gold level companies share Corning's dedication to quality, technology and innovation by consistently manufacturing products of superior performance.

Patch cords manufactured by Corning Optical Communications and by member companies of the CAH Connections<sup>SM</sup> Gold Program are included in the Corning Optical Communications LANscape<sup>TM</sup> Extended Warranty Program<sup>SM</sup> which provides a 25-year project warranty.

We at Corning applaud **Global Cable Solutions** in achieving membership in the CAH Connections<sup>SM</sup> Gold Program.

Sincerely,

*David Moser*
